### Leasing

Constant Contact leased 138,377 SF at Reservoir Place, Waltham, its real estate advisor McCall & Almy announced on Thursday. The online marketer expanded from its 85,583 SF existing space. Phased occupancy will allow for a complete renovation of the space it already occupies. The architect is Visnick & Caulfield Associates and construction manager, J. Calnan. McCall & Almy's Neil Schneider repped the tenant and Boston Properties' Austin Barrett, Jason Fivek, and David Provost were there for the landlord.
