

Hobbs Brook Management Donates \$200K In Furniture To Greater Boston YMCA

November 08, 2010

Waltham's Hobbs Brook Management LLC has donated \$200,000 worth of office furniture and equipment to six YMCAs within the Greater Boston network.

After a tenant vacated an entire building in Waltham, Hobbs Brook donated desks, chairs, cafeteria furniture, pictures, conference room furniture and AV equipment to the YMCA of Greater Boston. Through this donation, Ys in Waltham, East Boston, Hyde Park, Brighton, West Roxbury and Needham were able to improve back office operations as well as obtain audio-visual equipment to further enhance programming for families and teens.

"The YMCA of Greater Boston is grateful to Tom Dusel and Hobbs Brook Management for this in-kind donation of furniture and equipment valued at over \$200,000," said Kevin Washington, chief executive officer of the YMCA of Greater Boston. "Six YMCA's in Greater Boston benefited from this donation and were able to improve the professional working environments for employees without taking resources away from children and families."
